

# STATIC GUARD

**Join our team as a Static Guard and play a pivotal role in upholding THS's reputation for professionalism and maintaining the highest standards of security at our dedicated sites.**

In the welfare cabin at your designated site, you'll be the first point of contact for individuals entering, where your keen eye for suspicious activity will be indispensable. Remaining composed and respectful, you'll handle situations with finesse, ensuring a safe and secure environment for all.

## **Key responsibilities include:**

- Warmly welcoming visitors, verifying their credentials, and ensuring proper sign-in procedures.
- Thoroughly documenting vehicle registrations, promptly noting any anomalies.
- Regular communication with site owners to stay informed about schedules and expected visitors.
- Diligent monitoring of CCTV footage, promptly alerting authorities or Mobile Response Units to any unusual activity.
- Compiling detailed incident reports.

## **To thrive in this role, you'll need:**

- Exceptional responsiveness and attention to detail.
- Initiative and autonomy in executing duties.
- Proficiency in time management to effectively prioritise tasks.

- Exemplary professionalism, particularly in client interactions.
- Experience in high-pressure environments requiring quick, proactive decision-making.
- Basic IT skills for report writing.

**Requirements:**

- Valid SIA Licence
- Shift Patterns: Rotating evening, night, and weekend shifts.

**Salary:** Salary is competitive and negotiable upon experience.

In return, we offer competitive compensation, including 28 days of holiday, comprehensive staff benefits, monthly rewards, and a provided uniform.

Please note, we are unable to sponsor applications to work in the UK.

**Join us in safeguarding our sites and ensuring peace of mind for all. Apply now to be part of our dynamic security team!**
